### Begin Your Future Today

There's real action in the sports business – a multi-billion dollar industry in the U.S. that provides tens of thousands of exciting jobs to those who have the skills and desire to build a career in the field of sports management.

At the new **Business of Sports School (BOSS)** you have the chance to become a star in the *big game* behind the game. You can:

- Learn the fundamentals of Business and Entrepreneurship in Virtual Enterprise Programs
- Prepare for a career in Sports Marketing, Accounting, Media, or Management
- Build a network of professional career contacts in the sports management industry
- Earn a Career & Technical Education Endorsement (CTE)

### Learning at BOSS Is A Team Effort

With an enrollment of just 108 students in each grade – and an average of 27 students per class – BOSS creates a safe, personalized learning environment that helps you focus and achieve your goals:

- Build personal relationships with teachers and administrators
- Work with an advisor to coach your academic and social development
- Develop and maintain a career & college portfolio of your academic work
- Join clubs and activities for Graphic Design, Website Development, Entrepreneurship, and Future Business Leaders

### BOSS Prepares You for A Winning Career

- Real world business practices come into classes
- Internships, job shadowing, and fieldwork with leading sports industry companies. On certain days, students dress in business attire.
- College credits from your high school classes, SAT preparation, and college counseling
- Microsoft Office Specialist certification

You should also be prepared for an extended school day, with activities that include athletics, arts, and business-related topics.
